## REMOVABLE TOWEL BAR FOR THE SADDLE TRUNK

The Towel Bar is ideal for hanging towels, saddle pads, cleaning rags, or any other lightweight item you might use.

The proper location for the Removable Towel Bar is as follows:

The towel bar hangs along the left side of the Saddle Trunk.

Open the top lid.

The location for the U-bracket portion of the bar is on the left side of the trunk at the rear.

Place the U-bracket over the left back edge of the top compartment, right behind the lid support. Push down to secure and lift up to remove.
